

Halo MCC links to the Steam Store – if you wish to purchase the game for an Xbox console, you must purchase it from the Microsoft Store and not the Steam Store. The Steam version of MCC still requires sign-in to a Microsoft account but an Xbox LIVE Gold membership is NOT required for the PC version.

# THE PHOENIX PROJECT SOFTWARE

## WINTER GAME FEST 2021

**Server IP, how to play, etc will be included in the individual announcements on the Phoenix Discord. Each individual game night announcement will be a week before the event.**
