Halo MCC links to the Steam Store – if you wish to purchase the game for an Xbox console, you must purchase it from the Microsoft Store and not the Steam Store. The Steam version of MCC still requires sign-in to a Microsoft account but an Xbox LIVE Gold membership is NOT required for the PC version.

THE PHOENIX PROJECT COMMUNITY

SUMMER GAME FEST 2023

Server IP, how to play, etc will be included in the individual announcements on the Phoenix Discord. Each individual game night announcement will be a week before the event.

The Steam version of MCC still requires sign-in to a Microsoft account but an Xbox LIVE Gold membership is NOT required for the PC version.

Details Regarding Paid Tournaments

A few of the sessions in this year's SGF are **Paid Tournaments.** For paid tournaments you must alert either sabianmateinnit or Ry13y04 in the Phoenix Discord that you are attending in order to make time for payment. The current planned entry fee for each tournament is £2.75 [no tax, and PayPal will automatically convert the amount to your local currency]. Each tournament will be strictly monitored, and the servers will be password-protected and VAC secure. After the tournament, which will each be 1h 30m, the proceeds collected by the entry fees will go to players in 1st, 2nd and 3rd place, with the remainder amount going to a charity of each player's choice.

If you have any questions, please Email us at sabian@phoenixproject.cc, ryley@phoenixproject.cc, or message us within the Discord Server.
